## **Stanbic IBTC Retiree Life Annuity - The Secret to Salary for Life**

Dear Valued Client,

As retirement approaches, what key factors should you prioritize? Let us help guide your vision for your ideal retirement.

Consider these four essential financial structures for your dream retirement:

- Constant source of retirement income
- Provision for healthcare expenses
- Provision for living expenses
- Provision for travel plans and potential inflation realities

Are you considering choosing an Annuity? Your search ends here. With Stanbic IBTC Insurance Retiree Life Annuity, you can tap into the wisdom of experienced retirees. Our innovative policy, fully compliant with the Pension Reform Act of 2014, offers you the security of consistent monthly or quarterly payments for as long as you live. It is like having a job that pays you for life - even when you're no longer working!

Why Stanbic IBTC Insurance Retiree Life Annuity is your key to a worry-free retirement:
